SCIENCE AND ARTS DEBATE

"Should Study of English be
Abolished in Science?"

QUESTIONS FOR DEBATES

Schedule For Season Will be
Drawn Up As Soon As Classes
Are Organized.

The next meeting of the Lit. to be held on Monday night, promises to be even more interesting than the opening meeting which was considered by all present to have been the most successful in years. The budding lawyers, having admitted women to the bar, will next week take a rest and allow their brothers in the 3rd and 4th years in Arts to continue the verbal combat upon the subject of: "Resolved that the constitutional relations between England and Canada should be changed after the war." This will give the orators in Arts a splendid opportunity to display their best talent and should produce a debate well worth hearing. Next week's meeting is also important in that it marks the entrance of the Science Faculty to the inter-class series. The scientists are anxious to prove that they are the equals of any when it comes to public speaking, and they will now have the opportunity of doing so on the subject of "Resolved that the study of English should be abolished from the Science Faculty." The freshmen will argue in favor of its abolishment, while the sophs will defend the negative.

At the executive meeting held on Monday night, the time limit for each speech was lowered from 17-12 to 12 minutes with the usual 5 minutes rebuttal. This will shorten the meetings to a reasonable hour and will also make it easier for the preparation of the debates. The Lit. regrets that longer notice for these debates has not been given, but feels that there is still plenty of time for two men from each class to prepare twelve minute speeches upon such live topics as have been chosen. The reason for the delay is simply the very great difficulties that are met in making the innumerable arrangements necessary for the organization of the series and the individual debates as well. No one not actively engaged in this work of organization can begin to realize the tremendous amount of work it entails, and the increased difficulty caused by the lack of time; indeed, it would be comparatively plain sailing were it not for this last factor. As soon as all the classes have entered teams it will be possible to draw up the schedule for the whole season and thus give everyone as much time as they choose for preparation, but at the present time this is impossible and arrangements can only be made for one week in advance.

PROF. CHIPMAN WILL DELIVER ADDRESS

Popular Member of Medical Faculty to Address Medical Society.

Medical students are looking forward with much pleasurable anticipation to the meeting of the Medical Society next Friday evening. The speaker of the evening is to be Prof. W. B. Chipman, who is recognized as one of the leading gynaecologists and obstetricians on this continent. Dr. Chipman has recently returned from Pittsburgh, where he was the principal speaker at the dedicatory exercises which threw open to the public the great Elizabeth Steel Magee Maternity Hospital.

The subject of Dr. Chipman's remarks will be "The Medical Student." This remarkable topic, discussed in the pleasing and interesting manner of Dr. Chipman, should attract a large number of students Friday evening. An excellent musical programme has been arranged.

Mr. W. J. Stevens will present a case report for discussion.

Dr. Chipman is a native of Nova Scotia and a graduate of Acadia University 1890. In 1900 he obtained his medical degree from the University of Edinburgh. He was one of the most distinguished members of his class. At present Prof. Chipman is at the head of the department of obstetrics and gynaecology in our own university.

UNION MEETING.

A special meeting of the members of the McGill Union has been called for Thursday evening, Nov. 11, at 5.30, in the Lounge Room of the Union. Business: To discuss the question of extending the privileges of the Union to the 5th Universities Overseas Company. G. M. WILLISCROFT, President.

Frank McGill's Arm Is Broken

LIEUT. FRANK MCGILL.

Flight Sub-Lieutenant Frank McGill, Comm. '12, who has been training at the Central Flying School in Hants, England, preparatory to entering the naval wing of the Royal Air Service, had his arm broken in a flight Monday. Such was the information received yesterday from the aviation department.

McGill, who is well known at the University because of his ability as a swimmer, qualified as an aviator at the Thomas Flying School, Ithaca, N.Y., during the summer, and was putting the finishing touches to his work in England.

SCOLARSHIPS IN ARTS.

Awards Are Made in Granting of Third and Second Year Scholarships.

The winners of the scholarships and exhibitions in the Faculty of Arts were announced yesterday. The third-year scholarship in French and German (value \$75) has been awarded to Miss May L. Newham; the third-year scholarship in philosophy and psychology (value \$75), to Miss Georgiana Melvin. The Mackenzie scholarship in economics, third year (value \$100), has been awarded to Graham F. Towers, who is at present training for a commission in the Army Service Corps at Quebec.

Miss Mary Elizabeth Currie is the winner of the Hannah Willard Lyman exhibition in biology (value \$50), while the second-year exhibition in French and German, Latin (minor), value \$60, is won by Miss Sallie Salomon.

MCGILL BEATEN AT WATER POLO

Intermediates Defeated by M. S. C. by the Score of 8-5.

GOOD BRAND OF POLO

Butterfield and Clarke Starred for McGill, Vernot and Aird For M. S. C.

The McGill intermediate water polo team met the M.S.C. intermediates in a hard game at the Y.M.C.A. tank yesterday. The teams were in the best of condition and an extremely well contested match was the result. Butterfield and Clarke put up a great game for McGill, while Vernot and Aird starred for the M.S.C. The final score was 8-5 for M.S.C.

The game commenced at 5.15, McGill taking the deeper end of the tank. The M.S.C. players started off with a rush, Brafstein scoring almost immediately, assisted by great team work. Before McGill could rally effectively M.S.C. again scored, Vernot, their speedy forward, tallying this time. McGill broke through on the next throw in, Butterfield taking a shot for goal. One of the opposing defence men, in attempting to stop the shot, turned it aside into the goal. The teams now changed ends. Score, M.S.C., 2; McGill, 1.

McGill worked together better after the change, and kept their opponents mainly on the defensive throughout the period. Many shots were made and the score was kept down only through the great work of York, their goalkeeper. Butterfield finally managed to score, after several tries. Half time was called with the score 2-2. The game was fairly even up to this point.

M.S.C. started the third period with a fine piece of team work. Foran scoring almost immediately. Before McGill could get away, Norsett and Aird also scored, giving them a safe lead. Clarke, who put up a great game throughout, now managed to get through for his first score. Vernot again scored before this quarter finished. When the teams changed ends the score stood: M.S.C., 6; McGill, 3.

McGill again rallied in the last quarter and threatened the opposing goal for some time. Foss finally got a shot past York. Score, 6-4. Vernot managed to get through with a speedy rush, swimming right up to McGill's goal, and scoring easily. Clarke again scored, well backed by his team mates. Many shots were made in this quarter, but most of them were wild. Aird finally managed to score again before time was called. Final score: M.S.C., 8; McGill, 5.

The M.S.C. won through their superior speed and team work. The McGill boys, nevertheless, played a strong offensive game, and report that this was the best game of the season.

Line-up:
McGill: M.S.C.:
E. L. Clarke.....G. Vernot
P. S. Padden.....Brafstein
R. A. Foss.....Aird
H. D. Butterfield.....W. Foran
T. D. McGregor.....A. Norsett
A. York

COLLECTION FOR RED CROSS A SUCCESS

McGill Stands Well Up In the List of Contributors—R.V.C. Branch a Success.

Those members of McGill University who contributed to the Red Cross fund at the recent collection will be interested to learn that the sum collected amounted to very little short of four hundred dollars, a most creditable contribution, and one which is deeply appreciated by the society. Sincere thanks is due to those who so kindly helped to make the campaign a success.

The new rules for taking charge of work in the common room went into effect yesterday, with the result that an excellent day's work was accomplished. Owing to the increased number of students in charge, a greater interest was evinced by the members in general, and the report for the day was most encouraging. It is to be hoped that in future those in charge will make as good progress as yesterday's workers. The members responsible for the common room to-day are: Misses Caldwell, Gardner, Burrell and Blampin. As Wednesday is a half holiday, all work must be put away at one o'clock.

GRADUATE RESIGNS.

Rev. J. W. Pedley, Arts '84, pastor of the Western Congregational Church, Toronto, has tendered his resignation because he feels that the time has come for some radical action by the church in the matter of changing its situation.

PHYSICAL EXAM.

Dr. Harvey will be at the C. O. T. C. headquarters at 8 o'clock every evening this week for physical examination of men in competitive athletics.

IT is high time that you think of that XMAS GIFT for Your Chum on Active Service.

ACT NOW

And Don't Forget to Patronize Our Advertisers

Will Your Chum Spend Christmas "Somewhere in France"?

Then help him spend it Merrily!

Nothing is too good to send to the boys who are serving King and Country. But let our gifts show thought and judgment as well as good-will and love.

Among the few really acceptable gifts—smokes and pipes, chocolates and sweet biscuits, fountain pens and toothbrushes, toilet and shaving supplies—the Gillette Safety Razor ranks as a warm favorite, for one of the real luxuries of trench life is a clean, comfortable Gillette shave.

It's a luxury the lucky ones share with their pals, so send along plenty of extra blades. If he has a Gillette already, a few boxes of blades will

go far toward making him the most popular man in his Company.

Welcome as it is on the firing line, the Gillette is even more keenly appreciated in the hospitals. With it the wounded can shave themselves safely, easily and regularly. They certainly do enjoy the Gillette—and Doctors and Nurses can scarcely speak well enough of it.

Gillette "Bulldog" and Standard Sets cost \$5.00 each—compact Pocket Editions \$5.00 to \$6.00—Combination Sets, including Soap, Brush, etc., \$6.50 up. If you wish it, your Druggist, Jeweler or Hardware Dealer will arrange delivery through us, at the Front, of the Set you select, without shipping expense to you.

FIRST FENCING CLASS TO-NIGHT

Will be Held in the Union at 5 O'clock.

BEGINNERS ARE WANTED

Freshmen Will be Allowed to Transfer Activities From the Gym.

The first fencing class of the season will be held at the Union this afternoon at 5 o'clock. Last year there were a considerable number of men following this sport, and several of them are expected to be on hand again this year, but there is room for all who wish to learn, and newcomers will be welcomed.

According to arrangements made with the gymnasium authorities, freshmen who have signed up for physical exercise with this club may get their transfers from the gym. at the close of the present week. Fencing practice will be held every Wednesday and Saturday at 5 p.m., and freshmen will be able to secure their attendances there, but until the end of this week they will have to attend the gym. in addition. If at all possible, they are urged to turn out to-morrow at the Union, since a beginner's class is to be formed, and the work of the instructors will be much simplified if all novices are on hand for the first practices. A good knowledge of footwork and of the elementary parries must be obtained before any one can hope to succeed in fencing, and the aim of those in charge of the class will be to teach this thoroughly before the more intricate work is attempted. As soon as the beginner has mastered this, he will be taken individually by experienced members of the club and taught all the technique and science which play such a large part in the work with the foils. At the same time it must not be supposed that fencing is all science and no physical exertion, for beginners, especially, will find plenty of exercise, and will develop some muscles rarely called into play in other sports. Those who intend to turn out are advised to bring either gym pants or long ducks or flannels, and running shoes are indispensable. A loose shirt is generally preferable to a sleeveless jersey, since it offers more protection against scratches to the arms. Of course if any one possesses a regulation fencing jacket, that is better still. Those who own foils should bring them, but the club has ten or a dozen good foils, and plenty of masks. Freshmen who are not acquainted with the Union building will find the room by going downstairs and turning to the left opposite the lavatories.

The following men are requested to be on hand, as well as any one who desires to learn the art or who has had any previous experience at it: Wickenden, Terroux, Lowe, Macklin, Aggiman, Auld, Hale, Mooney, Kalem, McLarty and Shaw.

ON IMMIGRATION.

J. S. Woodsworth Speaks at the R.V.C. This Afternoon.

J. S. Woodsworth, secretary of the Canadian Welfare League, gives his second address in the common room of the R.V.C. to-day at 3.15.

These lectures are becoming very popular with both the public and the students, for they answer the questions arising from modern conditions. This week's subject is "Immigration," and will without doubt be as interesting as the former topics.

SEVERAL C.O.T.C. MEN ENLISTED

Names Are Included In Orders No. 22 Issued.

NEW C.S.M. IS APPOINTED

Divisional Signalling Class Will Open At Craig Street Drill Hall Monday.

BATTALION ORDERS No. 22,
by
LIEUT.-COLONEL ROBERT STARKE,
O.C. McGill Cont., C.O.T.C.

Montreal, Nov. 9, 1915.

1. Appointments and Promotions.
The following appointments and promotions are confirmed:

"B" COMPANY.
To be Company Sergeant-Major—Sergt. W. Alan Kennedy.
To be Company Quartermaster-Sergeant—Pte. W. C. Baber.

SIGNAL SECTION.
To be Lance-Corporals of Signallers—Ptes. H. Hutchison, B. Baldock and F. Badger.

2. Divisional Signalling Class.
A Divisional Signalling Class will be held at the Drill Hall, Craig Street, in the evenings, commencing Monday, Nov. 15, 1915, at 8 p.m. This class is open to all Officers, N. C. O.'s and men of the 4th Division.

Certificates will be issued at the termination of the course in accordance with Militia Orders No. 539 (1913).
Any member of this Contingent who wishes to attend this class will hand in his name to the officer in command of Scouts and Signallers, not later than noon Friday, the 12th inst.

3. Dress.
Belts and bayonets will, in future, be worn outside of mackinaws, and the belt will be run through the strap of the mackinaws. If these straps are found to be placed too high or too low, members will have them shifted so that the belt may fit snugly to the waist line. The cloth mackinaw belt will be removed, but must be retained and turned in when mackinaws are returned.

By order,
J. C. SIMPSON,
Captain,
Adjutant McGill Cont., C.O.T.C.

By order,
J. C. SIMPSON,
Captain,
Adjutant McGill Cont., C.O.T.C.

Y. W. C. A. PICTURE.

The Y.W.C.A. picture is to be taken at 2.15 at Rembrandt's Studio. Please be on time.

4TH COMPANY HAS BUSY DAY

The Universities Unit Successfully Attacks Mount Royal

FOUR GET COMMISSIONS

Fourth Universities Men Obtain Honorable Discharges to Officer C.E.F. Battalions.

The Fourth Universities Company yesterday morning marched up to Fletcher's Field, where they did company drill followed by a short while on arms drill. The company then attacked the mountain practising infantry in attack movements. The unit then marched to the McGill campus, where they were divided up into small groups, who gave mutual instruction in drill in extended order. A squad of men were also engaged in the physical training class on the campus under the direction of Captain P. E. Nobbs, of the 4th Divisional Cadre. About 40 officers and men of several Montreal units were in the class, and those participating took turn and turn about at delivering commands and giving details in various marching exercises. The signallers of the company were also busy, sending Morse across the campus by flags under the direction of Lieut. Hoare.

In the afternoon, Fletcher's Field was again the scene of operations, where the unit advanced in lines of sections at fifty paces interval, changing the direction in that formation. Then, as in the morning, the men returned to the campus, where mutual instruction in recruit drill was given. This was followed by a route march around the mountain. The platoons marched separately and practised deep marching, so that the march developed into a race between platoons.

Four men of the Fourth Company have been given their honorable discharge in order to take commissions which they have obtained in several overseas battalions. Mr. Pitman is leaving to-day to join the 65th as a platoon commander, while Mr. Salmon has also left to take a commission in the 8th Hussars. The two others who have been appointed as lieutenants are Mr. C. E. Gariepy and Mr. Gullivier, who are both going overseas with the 57th Battalion, C.E.F.

THE HISTORICAL CLUB WILL MEET TO-NIGHT

Two Papers Will be Read on the Subject of Naval Armament.

The Historical Club has its programme for the current session all arranged now, and the papers have already got one or two names opposite them. The scope of the six sections of subjects is extremely wide and is chiefly of modern history of general interest. Hitherto the array of matter has been mainly of a special type, concerned with subjects which needed a quantity of work.

This year any one of the members ought to be able to follow the papers very easily, and then enter into a discussion intelligently.

To-night the papers are on naval armament in general and the dreadnought and the submarine in particular. L. H. Nichols will read the paper on the dreadnought and E. Marotte on the submarine. The meeting will take place at Dr. Colby's residence, 560 Pine avenue, at 8 p.m., and a good attendance of the club is expected.

The following is the programme for the year. A copy has been posted in the Arts Building for members to sign their names on:

Nov. 10—"Naval Armament: The Dreadnought; the Submarine."
Nov. 24—"Serbia: Alexander and Draga; Serbia and Bulgaria."

Dec. 8—"Parties in France: Syndicalists; Socialists."
Jan. 12—"Causes Celebres: Bosnia, Agadir."

Jan. 26—"French Revival: The Army; Society."
Feb. 9—"Treitsche: Theory of State; Treitsche on England."

Feb. 23—"Old members' night."
March 8—"Open night."

R. V. C. ATHLETIC ASSN.

The picture of the executive of the R. V. C. Athletic Association will be taken this morning at 9 o'clock. Please be on time.

"B" COMPANY ATTENDANCE

New Arrangement Made—Boxes Will be Placed in Building.

BELTS AND MACKINAWs

Belts and Bayonets Are to be Worn Outside Mackinaws to be Run Through Strap.

"B" COMPANY ORDER No. 7,
MCGILL CONTINGENT, C. O. T. C.

Montreal, Nov. 8, 1915.

Parades.

For the week ending Nov. 13, 1915:
Tuesday, Nov. 9—Students, 4.15 p.m., Old High School; non-students, 7.45 p.m., Old High School.
Thursday, Nov. 11, 7.45, Old High School.

Saturday, Nov. 13, 2.30 p.m., Old High School.
Friday, Nov. 11, 5.15 p.m.; lecture, "Map Reading."
Recruits parade as already detailed. See Order No. 6.

Musketry Examination.

Examinations will be held at the High School Armory on Monday, 8th, and Wednesday, 10th, at 7.45 p.m., for those men who have been training as musketry instructors. The following men from "B" Company will attend in UNIFORM as detailed below:

Monday, Nov. 8, 1915—Pratley, P. L.; Darrach, D.; Hyland, J.; Hawkin, A. T. L.

Wednesday, Nov. 10, 1915—Baker, W. C.; Blackmore, A. C.; Church, W. J.; Davies, C.; Bagg, W. L.; Desbarats, H.; Green, V. S.; Hadley, C.; Hadley, H.; Hebron, H. B.; Sifton, C. V.; Richardson, E.; Smith, W. Harry; Smith, W. Henderson; Solomon, A.; Wrenn, E. L.; Aitken, J. T.; Killaly, A. H.; Noel, M.; Rogers, A. B.; Brodie, R.; Henderson, J. W. S.; Walsh, M. C.

Appointment.

To be Acting Battalion Sergeant-Major during the absence of Sergt.-Major Werry—Com. Sergt.-Major J. B. Fotheringham, "B" Company.

Attendance at Lectures.

In future closed boxes will be found at both doors of room No. 33, Engineering Building. Members of "B" Company will place in these boxes slips of paper on which they will mark their names, platoon numbers and date of attendance.

In lecture, notes are to be given out; they will be distributed at these doors.

Information.

Members of "B" Company are requested to prepare themselves to give mutual instruction, involving full details, during this week.

Mackinaws.

Belts and bayonets will, in future, be worn outside of Mackinaws, and the best will be run through the strap of the mackinaws. If these straps are found to be improperly fitted, members of "B" Company are requested to have them re-sewn to suit. The mackinaw belt will, of course, be removed.

Details.

To be orderly officers for week ending Nov. 13, 1915: Captain, F. S. D. Heward; Lieutenant, C. Heward.

Next for duty: Captain, A. Kingman; Lieutenant, T. H. Reid.

To be Battalion orderly sergeant: Sergt. L. Marler.

To assist Company Quartermaster-Sergeant for week ending Nov. 13th: Sergeant F. S. B. HEWARD,

Captain,
O. C. "B" Co., McGill Cont., C.O.T.C.

ARTS AND MEDS. CLASH TO-DAY

First Interfaculty Game Will be Played This Afternoon

The first inter-faculty Rugby game will be played this afternoon on the campus between Arts and Medicine. The teams are evenly matched, and the game should be keenly contested, as the winner of this contest plays the Science faculty for the championship. The following men are requested to turn out at 3.30:

Med.—Chantel (captain), Lewy, Donnelly, Dowd, Sullivan, Taylor, Patterson, Pitts, Upham, Fleck, Madden, Barkings, Durocher, Morse, McGregor.

Arts—Full, F. W. Hicks; halves, Farthy, Rutherford and Henry; quarter, McLeod; wings, Taylor, Smart, Laurie, Allen, McCrimmon, Graham; scrum, Butterfield, Bieler, Fitzgerald; spares, Callaghan, McLellan.

SCIENCE AND ARTS DEBATE

 "Should Study of English be
Abolished in Science?"

QUESTIONS FOR DEBATES

 Schedule For Season Will be
 Drawn Up As Soon As Classes
 Are Organized.

The next meeting of the Lit. to be held on Monday night, promises to be even more interesting than the opening meeting which was considered by all present to have been the most successful in years. The budding lawyers, having admitted women to the bar, will next week take a rest and allow their brothers in the 3rd and 4th years in Arts to continue the verbal combat upon the subject of: "Resolved that the constitutional relations between England and Canada should be changed after the war." This will give the orators in Arts a splendid opportunity to display their best talent and should produce a debate well worth hearing. Next week's meeting is also important in that it marks the entrance of the Science Faculty to the inter-class series. The scientists are anxious to prove that they are the equals of any when it comes to public speaking, and they will now have the opportunity of doing so on the subject of "Resolved that the study of English should be abolished from the Science Faculty." The freshmen will argue in favor of its abolishment, while the sophs will defend the negative.

At the executive meeting held on Monday night, the time limit for each speech was lowered from 17 1/2 to 12 minutes with the usual 5 minutes rebuttal. This will shorten the meetings to a reasonable hour and will also make it easier for the preparation of the debates. The Lit. regrets that longer notice for these debates has not been given, but feels that there is still plenty of time for two men from each class to prepare twelve minute speeches upon such live topics as have been chosen. The reason for the delay is simply the very great difficulties that are met in making the innumerable arrangements necessary for the organization of the series and the individual debates as well. No one not actively engaged in this work of organization can begin to realize the tremendous amount of work it entails, and the increased difficulty caused by the lack of time; indeed, it would be comparatively plain sailing were it not for this last factor. As soon as all the classes have entered teams it will be possible to draw up the schedule for the whole season and thus give everyone as much time as they choose for preparation, but at the present time this is impossible and arrangements can only be made for one week in advance.

PROF. CHIPMAN WILL DELIVER ADDRESS

 Popular Member of Medical Faculty
 to Address Medical Society.

Medical students are looking forward with much pleasurable anticipation to the meeting of the Medical Society next Friday evening. The speaker of the evening is to be Prof. W. B. Chipman, who is recognized as one of the leading gynecologists and obstetricians on this continent. Dr. Chipman has recently returned from Pittsburgh, where he was the principal speaker at the dedicatory exercises which threw open to the public the great Elizabeth Steel Magee Maternity Hospital.

The subject of Dr. Chipman's remarks will be "The Medical Student." This remarkable topic, discussed in the pleasing and interesting manner of Dr. Chipman, should attract a large number of students Friday evening. An excellent musical programme has been arranged.

Mr. W. J. Stevens will present a case report for discussion.

Dr. Chipman is a native of Nova Scotia and a graduate of Acadia University 1890. In 1900 he obtained his medical degree from the University of Edinburgh. He was one of the most distinguished members of his class. At present Prof. Chipman is at the head of the department of obstetrics and gynecology in our own university.

UNION MEETING.

A special meeting of the members of the McGill Union has been called for Thursday evening, Nov. 11, at 5.30, in the Lounge Room of the Union. Business: To discuss the question of extending the privileges of the Union to the 5th Universities Overseas Company. G. M. WILLISCROFT, President.

Frank McGill's Arm Is Broken

LIEUT. FRANK MCGILL.

Flight Sub-Lieutenant Frank McGill, Comm. 12, who has been training at the Central Flying School in Hants, England, preparatory to entering the naval wing of the Royal Air Service, had his arm broken in a flight Monday. Such was the information received yesterday from the aviation department.

McGill, who is well known at the University because of his ability as a swimmer, qualified as an aviator at the Thomas Flying School, Ithaca, N.Y., during the summer, and was putting the finishing touches to his work in England.

SCOLARSHIPS IN ARTS.

 Awards Are Made in Granting of Third
 and Second Year Scholarships.

The winners of the scholarships and exhibitions in the Faculty of Arts were announced yesterday. The third-year scholarship in French and German (value \$75) has been awarded to Miss May L. Newnam; the third-year scholarship in philosophy and psychology (value \$75), to Miss Georgiana Melvin. The Mackenzie scholarship in economics, third year (value \$100), has been awarded to Graham F. Towers, who is at present training for a commission in the Army Service Corps at Quebec.

Miss Mary Elizabeth Currie is the winner of the Hannah Willard Lyman exhibition in biology (value \$50), while the second-year exhibition in French and German, Latin (minor), value \$60, is won by Miss Sallie Salomon.

MCGILL BEATEN AT WATER POLO

 Intermediates Defeated by M. S.
 C. by the Score of 8-5.

GOOD BRAND OF POLO

 Butterfield and Clarke Starred
 for McGill, Vernot and Aird
 For M. S. C.

The McGill intermediate water polo team met the M.S.C. intermediates in a hard game at the Y.M.C.A. tank yesterday. The teams were in the best of condition and an extremely well contested match was the result. Butterfield and Clarke put up a great game for McGill, while Vernot and Aird starred for the M.S.C. The final score was 8-5 for M.S.C.

The game commenced at 8.15, McGill taking the deeper end of the tank. The M.S.C. players started off with a rush, Brafstein scoring almost immediately, assisted by great team work. Before McGill could rally effectively M.S.C. again scored, Vernot, their speedy forward, tallying this time. McGill broke through on the next throw in, Butterfield taking a shot for goal. One of the opposing defence men, in attempting to stop the shot, turned it aside into the goal. The teams now changed ends. Score: M.S.C., 2; McGill, 1. McGill worked together better after the change, and kept their opponents mainly on the defensive throughout throughout the period. Many shots were made and the score was kept down only through the great work of York, their goalkeeper. Butterfield finally managed to score, after several tries. Half time was called with the score 2-2. The game was fairly even up to this point.

M.S.C. started the third period with a fine piece of team work. Foran scoring almost immediately. Before McGill could get away, Norkett and Aird also scored, giving them a safe lead. Clarke, who put up a great game throughout, now managed to get through for his first score. Vernot again scored before this quarter finished. When the teams changed ends the score stood: M.S.C., 6; McGill, 3. McGill again rallied in the last quarter and threatened the opposing goal for some time. Foss finally got a shot past York. Score, 6-4. Vernot managed to get through with a speedy rush, swimming right up to McGill's goal, and scoring easily. Clarke again scored, well backed by his team mates. Many shots were made in this quarter, but most of them were wild. Aird finally managed to score again before time was called. Final score: M.S.C., 8; McGill, 5.

The M.S.C. won through their superior speed and team work. The McGill boys, nevertheless, played a strong offensive game, and report that this was the best game of the season.

Line-up:
 McGill: E. L. Clarke, G. Vernot, P. S. Padden, Brafstein, R. A. Foss, Aird, H. D. Butterfield, W. Foran, T. D. McGregor, A. Norkett, A. York.
 M.S.C.

COLLECTION FOR RED CROSS A SUCCESS

 McGill Stands Well Up In the
 List of Contributors—R.V.C.
 Branch a Success.

Those members of McGill University who contributed to the Red Cross fund at the recent collection will be interested to learn that the sum collected amounted to very little short of four hundred dollars, a most creditable contribution, and one which is deeply appreciated by the society. Sincere thanks is due to those who so kindly helped to make the campaign a success.

The new rules for taking charge of work in the common room went into effect yesterday, with the result that an excellent day's work was accomplished. Owing to the increased number of students in charge, a greater interest was evinced by the members in general, and the report for the day was most encouraging. It is to be hoped that in future those in charge will make as good progress as yesterday's workers. The members responsible for the common room to-day are: Misses Caldwell, Gardner, Burrell and Biamplin. As Wednesday is a half holiday, all work must be put away at one o'clock.

GRADUATE RESIGNS.

Rev. J. W. Pedley, Arts '84, pastor of the Western Congregational Church, Toronto, has tendered his resignation because he feels that the time has come for some radical action by the church in the matter of changing its situation.

PHYSICAL EXAM.

Dr. Harvey will be at the C. O. T. C. headquarters at 8 o'clock every evening this week for physical examination of men in competitive athletics.

College Manners

If it is true that a University education is meant to fit a man for life service, to make him an acknowledged leader in society, unless the man acquire a certain knowledge of correct bearing, he is never likely to reach his destination.

There is a lamentable lack of plain everyday manners in the conduct of a large number of University students. One has only to attend public functions to see the truth of this somewhat daring statement. Everybody has seen men "duck" for their hats, pull on their coats and break a way to the door during the singing of the National Anthem. This performance was, however, bettered on the occasion of a recent dinner given to the students, when a number purposely sat as close to the door as possible and bolted as soon as they had finished the meal; others left while the speeches were in progress, yet the whole programme was over in an hour. There is no need to linger over the details; the fact of the matter is that there are various ways in which students, under the cover of unconventionality, lay themselves open to the charge of a lack of form and of gentlemanly bearing.

That we at McGill are not alone in suffering from a lack of proper manners among undergraduates is shown by a perusal of different exchanges. At Brown University, for instance, a course of lectures in "manners" has been initiated with such success, we are told by the Brown Herald, that "there has been marked improvement on the part of the Freshmen in the matter of showing respect to upperclassmen. It is now the exception instead of the rule for a Freshman to crowd into a door ahead of upperclassmen or to interrupt a conversation."

It would be, perhaps, too much to expect so drastic a change at McGill as this, however desirous it might be. There is, however, much to be improved in the manners of students, and especially in those of freshmen.

At Columbia, too, the Spectator is found deploring the lack of attention which is paid to the social development of the student, a subject much akin to that in hand. The Spectator says:

"The college makes elaborate provision for intellectual development, adequate provision for physical development, and little provision for the social development of the student, and yet the social development of the student is of paramount moment and importance."

"If, as has been said, the practical end of a university course is the training of good members of society and the aim of the university to develop fitness for the world, and for social life, the social element in the educational life of the student deserves far more consideration than it receives at present, even at such a progressive institution as Columbia University."

It will not profit a man very much to have graduated from a University unless at the end of his four years he has managed to absorb enough of the University atmosphere of culture to enable him to carry himself with poise, restraint and dignity. His education should certainly do this much for him; it should equip him with the tools of leadership, which are self-honor, self-control and self-respect.

Editorial Note

Attention is called to the fact that Christmas presents for the boys at the front must be purchased before November 15 to ensure delivery in France at a suitable time. A considerable portion of the advertising in this edition of the McGill Daily is devoted to bringing to the notice of students articles which would be most acceptable to their classmates overseas.

THE ORPHEUM.

A fairly well-balanced bill is on the boards at the Orpheum Theatre this week, and as usual the "Standing Room Only" sign was early in evidence last night.

To begin with, the music supplied by the orchestra is a little above the ordinary, and that, together with excellent war pictures, starts the evening's entertainment off in good style. The two leading offerings are undoubtedly "Sheet" Gallagher and Irene Martin in a song and dance act, and Harry Girard and company in their musical play called "The Luck of the Totem."

The first is a rather unusual combination of real wit and clever dancing. Both artists are young, healthy, brim full of energy, and passing fair to look upon, and the simple naturalness of their acting gives them an attractiveness far beyond the "spell" of the veteran's "tricks." Miss Martin shows talent that prophesies of lead-

ing parts in future plays in her burlesque on "Peg of My Heart," while the clever abandon of "Sheet" affords much humor with which their act is replete.

"The Luck of the Totem" is a much more pretentious offering, in which the melodramatic is made to serve as setting for several musical numbers of a superior order. "Prairie Land" is perhaps the chorus that stands out most prominently. The men—six of them besides Mr. Girard—all have very good voices, and ably support Miss Cain-Brown to make a pleasing harmony.

Our old friend Kate Elinore is back once more, just as absurd and witty as ever. She comes this time under the role of huntress looking for victims, of whom the usual number are present to serve as butts of her witticisms. Travato, the "funny" violinist, is just as funny as ever, and displayed his usual skill in reproducing the various whistles from the gallery.

In short, the bill affords a real enjoyable evening for those that come early and avoid the Orpheum rush.

SHELLS BETTER THAN THE RATS

So Writes Capt. Thomas R. Caldwell, a Former McGill Man.

LT. WANKLYN RETURNING

Was Injured Through Horse Rolling Upon Him At Shorncliffe.

Capt. T. R. Caldwell, 21st Battalion, C.E.F., a former McGill man, writes: "This country has the finest crop of rats that I ever saw or heard tell of. They are everywhere, and if something is not done to get rid of them, will soon be a serious problem. Last night I just had settled down on my straw pillow when I felt something moving under my head. I put my hand up and felt a big rat. Did I get a scare? Well, I guess! Give me shells to rats—especially when they become so familiar."

Lieut. Andrew A. Wanklyn, Law '16, who crossed to England with the First Universities Company, is expected to return to Canada shortly on sick leave as the result of injuries received in a fall from his horse. Lieut. Wanklyn, while in training at Shorncliffe camp, was rolled on by his horse, and as a result of the injury sustained he was in the hospital for ten weeks. The accident occurred early in August, and he is expected in Canada towards the end of the month on two months' sick leave.

Major A. E. Dubuc, C.E., 22nd Battalion, C.E.F., who is reported wounded in a recent casualty list, is a brother of Marcell C. Dubuc, Sci. '17, now training at the Wright Aviation School at Dayton, Ohio.

R. Clement Holden, Arts '14, Law '17, is a lieutenant in the C.A.S.C. Holden was in camp at Sewell, Man., all summer. It is interesting to those who knew him to know that his title which he earned while at college is one which he is still worthy, namely, "R.V.C." When "The Daily" representative last saw him he was still performing the office of lady's man. A car run by two young ladies broke down just as the entrance to the Sewell camp, and the young ladies in their difficulty had appealed to the officers of the C.A.S.C., whom the least gallant was not our mutual friend.

J. Bower Hency, Sci. '16, is taking the officers' course at the Royal School of Artillery at Kingston. This course opened on Monday.

Lieut. Ernest F. L. Henson, Arts '14, of "pigging-it-at-the-Union" fame, is still in England attached to the 10th Loyal North Lancashire Regiment at Seabury camp.

Sergt. T. G. Beagley, Sci. '10, who left Montreal with the 23rd Westmount Rifles, was wounded during the summer and invalided to England. Upon convalescence he was detailed to drill recruits behind the lines, and when completely recovered found that there was no place as sergeant open to him in his regiment. In order to get back to his unit, he surrendered his stripes and went back into the ranks.

Lieut. R. B. Abbott-Smith, Sci. '17, has left for Egypt, supposedly to assume duties in the Balkans. He is with a regiment of Territorials. Last year he was a section commander in the C.O.T.C.

Lieut. J. H. Davies, Arts '18, is now attached to the 10th Leicestershire Regiment at Durham, England. He was also while here a student at the Diocesan College.

Lieut. Charles E. Macpherson, who spent one year with Arts '14, holds a commission in the Northumberland Fusiliers.

Murray C. Sutherland, Arts '16, who is with the signallers of the 13th Battalion, C.E.F., and is one of the few original members of that unit now on active service, writes, under date of October 23, that all is well and that things are quiet on the front. The weather is nice, but the nights are chilly.

Lieut. W. L. Cassels, Sci. '13, of the Canadian Engineers, was married on Saturday last at St. Peter's Church, Sherbrooke, Que., to Miss Kate Wardner Lawrence, younger daughter of H. D. Lawrence, K.C., of that city. Lieut. Cassels leaves shortly on overseas service.

THE DELTA SIGMA.

Prof. Laski Will Speak On "The Function of the University" To-day.

To-day at 4 o'clock, the annual tea and lecture of the Delta Sigma Society will be held in the Common Room, at 4 o'clock. This is the biggest event on the programme which is mapped out for the session. Last year Miss Derick spoke on "Science and Philanthropy." This year Mr. Laski will speak on "The Function of the University." The R.V.C. undergraduates and partials as well as the graduates, the Faculty, the presidents and officers of McGill societies are asked by invitation to this function. The lecture, which is on a topic that is interesting to us all is sure to be most instructive, and it is hoped that a large audience will be present.

CHEMICAL COLLOQUIUM.

M. J. Marshall Will Read Paper On Photographic Plates.

The regular colloquium in chemistry will be held this afternoon at 5 o'clock in the Chemistry Building. Mr. M. J. Marshall will read a paper dealing with "The Theory of the Latent Image of a Photographic Plate." Any members of the university who are interested are invited to attend.

CHRISTMAS IN THE TRENCHES

POOR ATTENDANCE AT WRESTLING WORKOUT

Meet with M.A.A.A. Mat Artists is Anticipated in the Near Future.

The first turnout for wrestling Monday afternoon at five o'clock, proved that this branch of the indoor sports is not so popular much this season.

It is especially encouraging to see so many of the experienced men turning out who will act as a nucleus in the formation of a team which will meet the M.A.A.A. as soon as the men are well along in their training. About fifteen men were present Monday afternoon. Among them were Banfield, of the 125 lb. class, and Parsons, who is a star in the 115-lb. class, besides Trapp, Brown and Rounthwaite, the latter having won the heavyweight contest last year, while Dean is out for the 145 lb. class.

The names of the others who were present are not available.

It should be well understood that all those who are inclined to take up one of the best branches of sport in the university are invited to attend the next meet on Friday, at 5 p.m., in the Union. This applies especially to those who have had no previous training, as well as those among the freshmen classes. The club has been organized primarily for the benefit of the students in providing a healthy exercise for all who are interested.

The Students' Council has been approached on the matter of getting instructor Smith. His services have been duly appreciated in past years as he is generally recognized as one of the most successful and capable instructors to be had.

Those who are already interested are determined to carry out a programme this session which will surpass any previous one.

Already Cornell University has written to the club asking that arrangements be made whereby we may meet them in a contest. In past years this meet proved very popular.

The regular hours will be Mondays and Fridays, at 5.15. Shower baths are available at the Union in a room adjoining that for wrestling. Lockers are also provided.

MANDOLIN PRACTICE.

Great Deal of Interest Being Taken In This Musical Organization.

The first practice of the McGill Mandolin Club took place at the Peate School of Music, and was a great success in all respects. There were over twenty players present and after hearing the rendering of the first selection, Mr. Peate, director of the orchestra, declared that this year's club was undoubtedly the best in the history of McGill, which is saying a lot. H. Dimick, of second year medicine, presided at the piano and his accompaniments were all that could be desired. Besides the numerous mandolin players, the club now boasts of a cello, flute and drum, and indications point to a most successful season.

AT THE LONDON.

The first appearance in Montreal of a four-act drama of unusual sensations, entitled "The House of Scandals," was made at the London yesterday, and will be featured again to-day. There is an all-star cast in the production, which includes Harold Lockwood and May Allison.

In the run of things amidst unusual settings and wonderful scenes of every description, classic dances are upon occasions introduced, under the personal direction of Miss Hawkesworth, the sensation of New York and Palm Beach.

For Thursday and Friday along with others a two-part Chaplin comedy will be shown, which shows the inevitable Charlie "Caught in a Cabaret." At the start of thing his actions are as usual ridiculous as ever, but when he hits the cabaret show after most people have gone to bed, why the real Chaplin fun only begins. His dancing ability and it is truly worth while—also his antics in endeavoring to introduce himself generally, are great.

For the week-end programme a big four-part master picture, featuring Marguerite Fisher, entitled "The Girl from His Town," will be screened for a first run. It is up to the usual feature production shown at this house regularly.

Goodwin's Special Christmas Box for Soldiers at the Front

SENT MAIL AND DUTY FREE.

JUST leave your soldier friends' names and military addresses, and we will attend to the rest.

Our London office has just completed the final arrangements for delivery to the front. We provide special cards on which you may write your signature to be enclosed in the boxes.

Nothing Could Be More Appropriate for the Soldier than the Waltham Military Watch

This splendid wrist watch has its own armor plate which protects and partially covers the crystal. It is very substantial and has a solid back case with two bezels rendering it weather proof. Many gallant Canadian soldiers are now wearing this watch. Ask to see it at your jeweler. It is supplied in 7 Jewel grade at \$12 and 15 Jewel grade at \$15.

We can also now supply wrist watches (full open face style) with luminous dials and hands. With these Watches you can easily read the time in pitch darkness.

FOR NURSES. We are offering a special nurses' watch with an extra large seconds dial, an advantage every nurse will recognize.

Our free booklet would interest you. Please send for it.

"Gee! That's Better!"

One of the most welcome gifts for our boys "Somewhere in France" is a pair of WARM GLOVES—they NEED them. Think of the long days and nights in cold open trenches.

In order to have your gift reach him around Christmas time, you must send them right away. But—send him Gloves he KNOWS will fit properly, are DURABLE and keep the hands as "warm as toast."

PURE WOOL GLOVES. WOOL LINED GLOVES. FUR-LINED GLOVES AND GAUNTLETS.

Insist on DENTS

IT is high time that you think of that XMAS GIFT for Your Chum on Active Service.

ACT NOW

And Don't Forget to Patronize Our Advertisers

Will Your Chum Spend Christmas "Somewhere in France"?

Then help him spend it Merrily!

Nothing is too good to send to the boys who are serving King and Country. But let our gifts show thought and judgment as well as good-will and love.

Among the few really acceptable gifts—smokes and pipes, chocolates and sweet biscuits, fountain pens and toothbrushes, toilet and shaving supplies—the Gillette Safety Razor ranks as a warm favorite, for one of the real luxuries of trench life is a clean, comfortable Gillette shave.

It's a luxury the lucky ones share with their pals, so send along plenty of extra blades. If he has a Gillette already, a few boxes of blades will

go far toward making him the most popular man in his Company.

Welcome as it is on the firing line, the Gillette is even more keenly appreciated in the hospitals. With it the wounded can shave themselves safely, easily and regularly. They certainly do enjoy the Gillette—and Doctors and Nurses can scarcely speak well enough of it.

Gillette "Bulldog" and Standard Sets cost \$5.00 each—compact Pocket Editions \$5.00 to \$6.00—Combination Sets, including Soap, Brush, etc., \$6.50 up. If you wish it, your Druggist, Jeweler or Hardware Dealer will arrange delivery through us, at the Front, of the Set you select, without shipping expense to you.

FIRST FENCING CLASS TO-NIGHT

Will be Held in the Union at 5 O'clock.

BEGINNERS ARE WANTED

Freshmen Will be Allowed to Transfer Activities From the Gym.

The first fencing class of the season will be held at the Union this afternoon at 5 o'clock. Last year there were a considerable number of men following this sport, and several of them are expected to be on hand again this year, but there is room for all who wish to learn, and newcomers will be welcomed.

According to arrangements made with the gymnasium authorities, freshmen who have signed up for physical exercise with this club may get their transfers from the gym, at the close of the present week. Fencing practice will be held every Wednesday and Saturday at 5 p.m., and freshmen will be able to secure their attendances then, but until the end of this week they will have to attend the gym, in addition. If at all possible, they are urged to turn out to-morrow at the Union, since a beginner's class is to be formed, and the work of the instructors will be much simplified if all novices are on hand for the first practices. A good knowledge of footwork and of the elementary parries must be obtained before any one can hope to succeed in fencing, and the aim of those in charge of the class will be to teach this thoroughly before the more intricate work is attempted. As soon as the beginner has mastered this, he will be taken individually by experienced members of the club and taught all the technique and science which play such a large part in the work with the foils. At the same time it must not be supposed that fencing is all science and no physical exertion, for beginners, especially, will find plenty of exercise, and will develop some muscles rarely called into play in other sports. Those who intend to turn out in the evening will find the room by going down stairs and turning to the left opposite the lavatories.

The following men are requested to be on hand, as well as any one who desires to learn the art or who has had any previous experience at it: Wickenden, Terront, Lowe, Macklin, Agtman, Auld, Hale, Mooney, Kalem, McLarty and Shaw.

ON IMMIGRATION.
J. S. Woodsworth Speaks at the R.V.C. This Afternoon.

J. S. Woodsworth, secretary of the Canadian Welfare League, gives his second address in the common room of the R.V.C. to-day at 3.15. These lectures are becoming very popular with both the public and the students, for they answer the questions arising from modern conditions. This week's subject is "Immigration," and will without doubt be as interesting as the former topics.

SEVERAL C.O.T.C. MEN ENLISTED

Names Are Included In Orders No. 22 Issued.

NEW C.S.M. IS APPOINTED

Divisional Signalling Class Will Open At Craig Street Drill Hall Monday.

BATTALION ORDERS No. 22,
by
LIEUT.-COLONEL ROBERT STARR,
O.C. McGill Cont., C.O.T.C.
Montreal, Nov. 9, 1915.

1. **Appointments and Promotions.**
The following appointments and promotions are confirmed:
"B" COMPANY.
To be Company Sergeant-Major—Sergt. W. Alan Kennedy.
To be Company Quartermaster—Sergt.—Pte. W. C. Baber.

SIGNAL SECTION.
To be Lance-Corporals of Signallers—Ptes. H. Hutchison, B. Baldeck and F. Badger.

2. **Divisional Signalling Class.**
A Divisional Signalling Class will be held at the Drill Hall, Craig street, in the evenings, commencing Monday, Nov. 15, 1915, at 8 p.m. This class is open to all Officers, N. C. O.'s and men of the 4th Division.

Certificates will be issued at the termination of the course in accordance with Militia Orders No. 589 (1913).
Any member of this Contingent who wishes to attend this class will hand in his name to the officer in command of Scouts and Signallers, not later than noon Friday, the 12th inst.

3. **Dress.**
Belts and bayonets will, in future, be worn outside of mackinaws, and the belt will be run through the strap of the mackinaws. If these straps are found to be placed too high or too low, members will have them shifted so that the belt may fit snugly to the waistline. The two others who have been appointed as lieutenants are Mr. C. E. Gariepy and Mr. Gulliver, who are both going overseas with the 57th Battalion, C.E.F.

By order,
J. C. SIMPSON,
Captain,
Adjutant McGill Cont., C.O.T.C.

The Y.W.C.A. picture is to be taken at 2.15 at Rembrandt's Studio. Please be on time.

4TH COMPANY HAS BUSY DAY

The Universities Unit Successfully Attacks Mount Royal

FOUR GET COMMISSIONS

Fourth Universities Men Obtain Honorable Discharges to Officer C.E.F. Battalions.

The Fourth Universities Company yesterday morning marched up to Fletcher's Field, where they did company drill followed by a short while on arms drill. The company then attacked the mountain practising infantry in attack movements. The unit then marched to the McGill campus, where they were divided up into small groups, who gave mutual instruction in drill in extended order. A squad of men were also engaged in the physical training class on the campus under the direction of Captain P. E. Nobbs, of the 4th Divisional Cadre. About 40 officers and men of several Montreal units were in the class, and those participating took turn and turn about at delivering commands and giving details in various marching exercises.

The signallers of the company were also busy, sending Morse across the campus by flags under the direction of Lieut. Hoare.

In the afternoon, Fletcher's Field was again the scene of operations, where the unit advanced in lines of sections at fifty paces interval, changing the direction in that formation. Then, as in the morning, the men returned to the campus, where mutual instruction in recruit drill was given.

The two others who have been appointed as lieutenants are Mr. C. E. Gariepy and Mr. Gulliver, who are both going overseas with the 57th Battalion, C.E.F.

Members of the 4th Company have been given their honorable discharges to take commissions which they have obtained in several overseas battalions. Mr. Pitman is leaving to-day to join the 65th as a platoon commander, while Mr. Salmon has also left to take a commission in the 8th Hussars. The two others who have been appointed as lieutenants are Mr. C. E. Gariepy and Mr. Gulliver, who are both going overseas with the 57th Battalion, C.E.F.
